SLOW PRESS®

CABERNET SAUVIGNON

THE SLOWER THE PRESS, THE BETTER THE WINE.

Slow Press wines are a tribute to the true craft of winemaking. Our vintners know that great wines are worth waiting for, so they've slowed down the winemaking process from start to finish. This Slow Press process releases the purest, most concentrated flavors and smooth finish. Our Cabernet Sauvignon delivers notes of dark fruits and blackberries that complement robust and velvety tannins.
